

## Irrigation water for the natural grass football fields

Dear Mr. Christiani,

Reference to the above mentioned subject, we have installed VULCAN S100. After a year, the result on irrigation water for the natural grass football fields was very satisfactory.

The company which is behind the maintenance of football fields feeling well, they have sent reports to the Saudi Government Sports Ministry they wrote on their reports that there's good result on using this devices.

For your information and references.
